

Technical Information Searches and Analysis

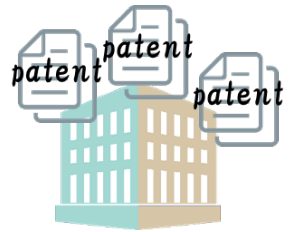

Patent clearance searches and patent invalidity searches

We maintain the highest level of search capabilities to support our clients' product assurance and patent invalidation measures.

**Product
developed by
your company**

**Does this patent infringe
a patent belonging to
another company?**

**We want to invalidate
another company's
patents!**

**Patents of
other
companies**

Consistently ranked highly in Japan's only patent search competition.
(Hosted by the Industrial Property Cooperation Center)

Team competition results			
2013 to 2019	3	2	3

* From 2020, there was no same certification system.

**Leave it to TTDC's top-ranked
search team!**
