Toyota Technical Development Corporation (TTDC)

Notification of Change to Business Field Name

Toyota Technical Development Corporation (TTDC, Head Office: Toyota, Aichi, President: Yoshiyuki Kagawa) has decided to change the name of one its business fields to more accurately describe the details of its business. From April 1, the Measurement and Instrumentation Control Business Field (also known as the *Keisoku* Business Field) will be renamed the Measurement & Simulation Business Field.

Current (up to March 31, 2023)	New (from April 1, 2023)
Measurement and Instrumentation Control Business Field	Measurement & Simulation Business Field

As a systems integrator, the Measurement & Simulation Business Field is engaged in projects covering the whole development process centering on the provision of measurement solutions in real-world workplaces, up to and including model-based development utilizing simulation technologies.

The Measurement & Simulation Business Field will continue to provide optimum development environments, solutions, and services in line with advances in our customers' development workplaces in recognition of the ever-expanding nature of technological innovation in the simulation development field as artificial intelligence (AI) continues to evolve.
